Applying for a Concealed Pistol License

Citizens who live within the city limits of Pullman and those who live out of state are eligible to apply for a Washington Concealed Pistol License at the Pullman Police Department.

Citizens who live outside the city limits will need to apply with the Whitman County Sheriff's Office located in Colfax. *All non-US citizens must also apply with the Whitman County Sheriff's office.

We accept applications Monday through Friday 8:30 to 4:30. You will need to fill out an application and all original applicants will be fingerprinted at the time of application. You will be asked to review your typed permit and at that time sign your permit. You will want to allow

approximately 20 minutes for the entire process. You should receive your permit in the mail within 30 days. We highly recommend you have your permit laminated to help preserve it for the 5 years it is good for.

Look for a change in this procedure in October. Permits will come directly from DOL in a hard plastic form much like your driver's license.
