Parks & Recreation Preschool

Preschool is designed for the pre-kindergarten student. Our program provides opportunities for young children to select, explore, and practice a variety of skills in a secure, creative, and stimulating environment. Teachers plan developmentally appropriate activities that promote social/emotional, physical, and cognitive growth. Our curriculum includes language, art, music, math, science, and movement activities implemented into monthly theme-based units. Children gain self-esteem and independence as they are treated with respect and encouraged individually.

Our preschool is open to children 3-5 years of age. We currently offer two classrooms. Student/teacher ratio is 1:10. The 3-4 year old program (younger 4 year olds) is in the morning from 9:00am-12:00pm with the option of attending MWF, TuTh, or M-F. The 4-5 year old (older 4 year olds/pre-K students) can either choose a session in the morning from 9:00am-12:00pm MWF or in the afternoon from 1:00-4:00pm MWF, TuTh, or M-F.

Registration Information:

NEW Student: registration begins Monday, June 10, at 8:00am for the 2013-2014 school year. Phone registrations will be accepted after 10:00am and mail-in registrations will not be processed until after June 10th. Ages listed will be strictly adhered to. Children must be potty trained by the start of class. Children must be able to separate from parents. You may obtain a Preschool Parent Manual/Brochure from the Pullman Parks & Recreation Department by calling 338-3227, or visit our website at PullmanParksandRec.com, preschool.

Meet our Instructors:

Jean Overstreet, (Ms Jean) our Preschool and Youth Programmer, serves as the Head Preschool Teacher. She has a B.S. in Child Development and Family Relations from the University of Idaho. After moving to Pullman, Jean served as director of a childcare center. She was hired by the City of Pullman in 1994 and has been responsible for our program's content and growth.

Marlin Mangels, (Mr M) our Assistant Preschool Teacher, joined our program in 2008. Prior to working for Parks & Recreation, Mr. M taught English in Korea, earned a second degree in Elementary Education from WSU, worked with one year olds in the "PS, I Love You" program for five years, and spent time volunteering in Ms. Jean's room.

"BUDDY" wants to Travel with YOU this Summer

Buddy, the cougar cub, loves to travel, but needs your help! Take him with you on your next trip. Buddy comes with his own carrying bag, a journal page for you to record his adventures, and a variety of small games and activities to share when the miles get long. Come look over the journal to see where he has been and what he has been up to. When he returns add your pages, with your name and date of activity as well as a destination flag on his travel map. He would love to have a photo taken with you and/or a postcard from the trip destination included with his new page. *Buddy may be reserved by calling the Parks & Recreation office Monday-Friday 8:00am-5:00pm, to arrange his next travel date. A $35 refundable deposit is collected to ensure his safe and timely return.*

New! Free! Building Healthy Relationships

Knowing how to build and maintain healthy friendships and relationships is a lifelong skill that deserves a strong foundation. Along with building strong friendships and relationships, tweens and teens also need to know how to recognize unhealthy or potentially abusive situations.

This course is divided into five sessions that are designed to raise tweens' awareness of what constitutes healthy and abusive friendships and dating relationships. By the end of the five sessions, participants will be equipped with skills to develop healthy relationships, including positive communication, anger management, and conflict resolution. Each session is facilitated by skilled advocate educators utilizing the theory-based, nationally-recognized curriculum.
