Welcome to Parks & Recreation

Welcome back for another fun filled summer of activities and adventures with your Pullman Parks & Recreation Department. Take a few moments to look through the brochure and discover all that Parks & Recreation offers to keep you and your family active this summer.

As a reminder, thanks to a generous donation from Ed & Beatriz Schweitzer, the Pullman Aquatic & Fitness Center will be closed from July 1-August 23 for renovations. Reaney pool opens June 14th, so make sure you check out the pool schedule at PullmanParksandRec.com throughout the summer as many of your favorite activities and swim lessons will move from the Pullman Aquatic & Fitness Center to Reaney pool during construction. We appreciate your patience in advance as this work is completed.

Also, don't forget you can now register for your favorite activities online at PullmanParksandRec.com. If you have any questions, give us a call as we're here to help.

As always, thank you for your continued support of Pullman Parks & Recreation. Have a safe summer and we look forward to seeing everyone in one of our many programs.
