UPDATE (as of 2:42 p.m.):

It appears that most of the telephone system issues have been resolved. You can now call the Pullman Police Department business line at 509-334-0802.

If you cannot get through, please feel free to call the regional dispatch center at 509-332-2521.

As always, if you have an emergency please dial 9-1-1.

Gary Jenkins, Chief of Police
Pullman Police Department
(509) 334-0802

UPDATE: TELEPHONE OUTAGE CONTINUES FOR PULLMAN POLICE DEPARTMENT

Pullman– A scheduled system upgrade ran into technical difficulties late Thursday night, causing in the business line telephone (509-334-0802) for the Pullman Police Department to still be out of operation as of 8:00 am on Friday, January 4, 2013.

The outage is only for the main business line and does not impact the regional dispatch center, WhitCom, in any way. **To report an incident, citizens can call the dispatch center directly**

at 509-332-2521 for non-emergencies, or simply dial 911 to report an emergency.

Citizens trying to reach an officer or the records department for follow-up or normal business proceedings can still contact the Pullman Police Department via email. Emails sent to the department's generic mailbox of **police@pullman-wa.gov** will be routed to appropriate personnel during normal business hours (Monday-Friday, 8:00am-5:00pm).

We will provide updates on the status of our phone service as they become available.
