Anna-Marie Shannon thanked the Pullman School District, Lincoln Middle School, and Pullman High School for their help with the design of the banners.

Kathleen Bodley, Arts Commission, described the banner greeting cards that will be sold as a fundraiser.

Mayor Johnson asked if the proposed banners conform with the existing banners and hanging equipment. Superintendent Davis and Anna-Marie Shannon responded. Mayor Johnson asked if the banners were going to withstand the Pullman winter weather. Anna-Marie Shannon responded.

Councilmember Heath asked if the commission had a preference between the two vendors. Anna-Marie Shannon responded.

Becky Thorgaard, Arts Commission, commented on the original quote from DuJulio Designs and gave a brief history of Pullman's use of the vendor. Councilmember Benjamin and Anna-Marie Shannon discussed the readability of the fonts and if other cities incorporate the city name within the banners. Mayor Johnson expressed concern that the banners might be considered generic without the Pullman name. Mayor Johnson and Councilmember Bloom suggested that the wording on the banners be changed to "Pullman Celebrates Arts". Councilmember Benjamin suggested alternating the banners so that the script font is more readable.

Mike Yates, Pullman Arts Commission, suggested adding Pullman at the bottom of the banner. Councilmember Bloom and Mayor Johnson stated that donations would come from the Councilmembers to help with the project. Councilmember Heath stated she appreciated the DuJulio comments but

given the condition of the economy that the local vendor should be used. City Supervisor Sherman stated that the City share of the funds for the project should come from the Civic Improvement Fund. Councilmember Paul stated he was in favor of the project and that it was a great, refreshing change. Mayor Johnson, Finance Director Woo, and Anna-Marie Shannon discussed how to receipt the donations. Council concurred to use Allegra for the banner project. Councilmember Benjamin commented on the goal of the Arts Commission to work with other committees to promote art within Pullman. Councilmember Weller stated it was important to thank the art teachers and the students at Lincoln Middle School and Pullman High School for the help in designing the banners. Council concurred to hold the retreat on April 21. City Supervisor Sherman noted that the School Board has requested a joint meeting for April 14 and described the School District's plans for high school improvements and due to those plans, the City should defer the Military Hill irrigation project so it does not interfere with the plans for a new location.
